

## BRIEF CV

**Name:** Sónia Dias

**Nationality:** Portuguese

**Institutional affiliation:** National School of Public Health, NOVA University Lisbon

**Phone:** +351 967058421

**E-mail:** sonia.dias@ensp.unl.pt; smfdias@yahoo.com

### 1. ACADEMIC DEGREES

- Aggregation in International Public Health, UNL (2011)
- PhD in International Health, Institute of Hygiene and Tropical Medicine, UNL (2006)
- Post-Graduation in International Health, Institute of Hygiene and Tropical Medicine, UNL (2003)
- Graduation in Psychology, Faculty of Psychology of University of Lisbon (1998)

### 2. ACADEMIC POSITIONS

- Dean of the National School of Public Health, UNL (since May 2022)
- Full Professor at National School of Public Health, UNL (since 2021)
- Associate Professor with Aggregation at National School of Public Health, UNL (2018-2020)
- Associate Professor with Aggregation (part-time invited professor) at NOVA Medical School, UNL (since 2013); Invited Assistant Professor: 2007- 2011)
- Associate Professor with Aggregation at Institute of Hygiene and Tropical Medicine, UNL (2012-2018; Invited Assistant Professor: 2006 -2012)

### 3. RELEVANT SCIENTIFIC/ PROFESSIONAL ACTIVITIES

- Chair of the International Scientific Committee of the 17th European Public Health Conference (EUPHA, Lisbon 13-15 Nov 2024)
- Chair of the Local Organizing Committee of the World Congress on Migration, Ethnicity, Race & Health (GSMERH, Lisbon 2-5 Sept 2025)
- Acting Vice-President of the European Public Health Association (EUPHA) – Section on Migrant and Ethnic Minority Health (2024)
- Co-Leader of the Refugee & Migrant Working Group of ICPHR (International Collaboration for Participatory Health Research)
- President of the Scientific Council of the National School of Public Health of the Universidade Nova de Lisboa (since 2022)
- Vice-President of the Scientific Council of the National School of Public Health of the Universidade Nova de Lisboa (2019-2022)
- Member of the Research Strategic Council of the NOVA University of Lisbon (2020)
- Member of the Scientific and Technical Advisor Committee (STAC) of the TDR/World Health Organization (2016-2021)
- Member of the Steering Committees: European Public Health Association (EUPHA) – Section on Migrant and Ethnic Minority Health (2012-2023); International Collaboration for Participatory Health Research (ICPHR; since 2014); Management Group da Academic Network for Sexual and Reproductive Health and Rights Policy

- ANSER (since 2016); Scientific Council of Portuguese Funding Agency for Science, Research and Technology (2018-2022)

- Consultant for WHO, ECDC, IOM, World Bank, UNICEF and various missions to European countries, Portuguese Speaking Countries (CPLP), including Cape Verde, Mozambique, Guinea-Bissau, Angola and Brazil, and other countries, including South Africa, Morocco and Indonesia (since 2007).
- Act as member of the evaluation panel or as independent reviewer (calls for projects, research fellowships and lecturers positions) for renowned institutions such as: European & Developing Countries Clinical Trials Partnership (EDCTP); Research Foundation - Flanders (FWO); Department for International Development - United Kingdom Government; Wellcome Trust Research Training Fellowship (UK); Foundation for Science and Technology (Portugal); National Programme for HIV/Aids; academic institutions; among others.
- Member of the Ethics Committee of the National School of Public Health / NOVA (2020-2022).
- President of Scientific Council of the National School of Public Health, NOVA University (since 2022)
- Coordinator of Public Health Research Center - National School of Public Health & Executive Council of Comprehensive Health Research Centre (CHRC) NOVA University (since 2019)
- Consultant as a member of the Technical Advisory Group WP7 of the “Joint Action Health Equities Europe” (JAHEE) project. WP7 Coordinating Entity: Norwegian Institute of Public Health (2018 - 2021)
- Member of the WHO Collaborating Center on Health Workforce Policy and Planning (WHOCC-IHMT) (2012 - 2018).
- Member of the research group “Núcleo de Estudos em Epidemiologia e Cuidados em Agravos Infecciosos” - NECAIH, of Universidade Federal de Goiás (Brazil) (since 2017)
- Member of the COST Action IS1103 network (European Cooperation in Science & Technology) - Adapting European health systems to diversity (ADAPT) and the working group of the “Big Picture project” (2014 - 2016).
- Collaboration with Migration Health and Development Research Initiative (MHADRI, International Organization for Migration)
- Coordinator of PhD program in “International Health”, Institute of Hygiene and Tropical Medicine (2015-2018)
- Principal Investigator of the thematic line “Health Challenges of Travelers and Migrants, Research Unit “Global Health and Tropical Medicine” - Fundação para a Ciência e a Tecnologia (2015-2018)
- Member of the Scientific Committee of Doctoral Program “International Health” (2011-2018)
- Member of Pedagogical Council of the Institute of Hygiene and Tropical Medicine, UNL (2012-2018)
- Director of the International Public Health and Biostatistics Unit, Institute of Hygiene and Tropical Medicine, UNL (2012-2018)
- Director of Master in “Health and Development”, Institute of Hygiene and Tropical Medicine, UNL (2012-2015)
- Coordinator of the International and Technical Cooperation division of WHO Collaborating Centre on Health Workforce Policy and Planning – Institute of Hygiene and Tropical Medicine, UNL (2012-2017)
- Coordinator of Migrants Health Group of the Research Laboratory “Centre for Malaria & Tropical Diseases” (2010-2015)
- Coordinator of the courses “Health Promoters” and “Cultural Mediators for Health” for the Plan of Intervention in Maternal and Child Health and Family Planning in migrant communities (1999-2000)

#### **4. TEACHING ACTIVITIES**

Teaching activities in Public Health (Health Promotion, Health Determinants, Health and Migration, Health Research Methodology, Evaluation of interventions) in PhD, masters, postgraduate, and degree programs at several national and international university institutions. Participated in the coordination, structuring, and implementation of academic programs (masters and PhD), supervision and implementation of short and e-learning courses, training at national level and Portuguese-speaking African countries. Supervision of several PhD and master degree thesis. Scientific and research fellows' supervision. Collaborated in the development and implementation of new short courses and distance learning (organization of modules in e-learning), development of teaching materials, as well as in dissemination, recruitment and selection of new students of the 2nd and 3rd cycle.

#### **5. SCIENTIFIC INTERESTS**

The scientific activity develops in areas of Health Promotion and Public Health, in particular on social and behavioural sciences, migration and health, health care services, health evaluation, methodologies in health research, behavioural change, among others. The research activities are mainly aimed to identify and address health needs of migrant populations and the political, social, and behavioural determinants, as well as the development and evaluation of interventions and policies for the improvement of populations' health. Includes the conceptual and methodological development of participatory research and intervention with migrant populations, using community-based participatory research, realist evaluation, combining quantitative and qualitative methods, promoting exchange of information and a basis for comparative studies.

#### **6. PARTICIPATION IN PROJECTS**

Integrates or integrated the team of 60 research projects, 20 of them as Principal Investigator of the project or of the national team in international projects. Involved in international research (EU and in Portuguese-speaking African countries) and national projects concerning health promotion, social and behavioural sciences, migration and health, and evaluation of complex health interventions.

##### **Some examples:**

- Coordinator of the national team of the project "Social Prescribing to promote and improve access to health and care services for people in vulnerable situations in Europe (SP-EU)". Coordinating Entity: Charité. Funded by Horizon - European Commission (2025-2030)
- Coordinator of the national team of the project "JACARDI - Joint Action on CARdiovascular diseases and Diabetes in Europe. National Project Coordinator". Supported by EU4Health programme (2023-2027)
- Coordinator of the project "Motherhood and Music - A multi-country intervention to prevent postpartum depression and improve maternal mental health among migrants". Funded by Fundação Calouste Gulbenkian (2024-2026)
- Coordinator of the national team of the project "C.O.P.E. - Capabilities, Opportunities, Places and Engagement: Approach for Social Inclusion of Difficult to Reach Young People through a "Relational Proximity" Community Network". Coordinating Entity: Department of Health and Social Policies; Employment Agency, Province of Trento. Funded by the EU Program for Employment and Social Innovation (2022-2024)
- Coordinator of the project "CHiLDLiMaR - Health determinants and needs of migrant children in a pandemic context: a longitudinal study for the Lisbon and Tagus Valley Region". Funded by the Foundation for Science and Technology (2021-2023)
- Coordinator of the national team of the project "EquityCancer-LA: Improving equity in early diagnosis of cancer: implementation research in different healthcare systems of Latin America". Coordinating Entity:

Consorci de Salut i d'Atenció Social de Catalunya. Funded by Horizon 2020 - European Commission. (2021-2026)

- Coordinator of Work Package and Coordinator of the national team of the project “ELEVATE: Early detection of cervical cancer in hard-to-reach population of woman (migrant woman) through portable and point-of-care HPV testing”. Coordinating Entity: Ghent University. Funded by Horizon 2020 – European Commission. (2019-2024)
- Coordinator of the national team of the project “CHILI: A Community-based HPV screening Implementation in Low-Income countries”. Coordinating Entity: Ghent University. Funded by Horizon 2020 - European Commission. (2021-2026)
- Team member of the project “Health Literacy in the Prevention of Chronic Diseases (Diabetes)” - National Health Literacy Demonstration Project (NHLDP - WHO). Coordinating Entity: ENSP-NOVA and Associação Protectora dos Diabéticos de Portugal (2019).
- Coordinator of the project “Vo(i)ces: Promoting the health of migrant populations in times of pandemic”. Coordinating Entity: ENSP-NOVA. Funded by the Asylum, Migration and Integration Fund (FAMI) (2021-2022)
- Coordinator of the project “Covid-19 Barometer Social Opinion: Knowing, Deciding and Acting. The Portuguese, Covid-19 and the responses of the National Health Service”. Coordinating Entity: ENSP-NOVA. Funded by the Foundation for Science and Technology (2020)
- Coordinator of the project “Relationships, Stress and Aggression in times of Covid-19 in Portugal: new contours in domestic violence and gender inequalities? (RSA Covid-19)”. Coordinating Entity: ENSP-NOVA. Funded by the Foundation for Science and Technology (2020)
- Coordinator of the project “Health Literacy, Health Promotion and Social Cohesion in Migrant Populations: Prevention of Non-Communicable Diseases”. Coordinating Entity: ENSP-NOVA. Funded by the Calouste Gulbenkian Foundation, the High Commission for Migration and the Lisbon City Council (2020-2022)
- Co-coordinator of the project “Immigrant Integration as a Global Development Strategy: Experimental Evidence for Portugal and Cape Verde”. Coordinating Entity: NOVA School of Business and Economics. Funded by the Foundation for Science and Technology (2018-2022)
- Coordinator of the project “Evaluation of the Social Prescription Project in Family Health Units in Lisbon”. Coordinating Entity: ENSP-NOVA in partnership with ACES Lisboa Central and ACES do Arco Ribeirinho. Funded by Lisbon City Council (2019-2022)
- Team member of the project “Genomics, socio-behavioral data and clinical data to prevent HIV transmission among migrants: an innovative approach”. Coordinating Entity: IHMT NOVA. Funded by the Foundation for Science and Technology (2016-2020)
- Team member of the project “Immigrant trajectories in territories: the construction of access to social security policies”. Coordinating Entity: Center for Applied Social Studies, Department of Social Service, Postgraduate Program in Social Service and Social Policy, State University of Londrina. Funded by the Araucária Foundation to Support the Scientific and Technological Development of the State of Paraná (Project Notice PROPPG 03/2016) (2017-2018)
- Scientific coordinator of the project “Local Pact to End the HIV/AIDS Epidemic in Amadora – Fast-Track Cities Amadora” and coordinator of the technical and scientific support team of “Cascais on the Fast Track to end the HIV and viral hepatitis epidemic – Fast-Track Cities Cascais” (2019-2021)
- Coordinator of the Work Package “Evaluation” and Coordinator of the national team of the project “SIALON II: Capacity building in combining targeted prevention with meaningful HIV surveillance among men who have sex with men”. Coordinating Entity: Regione del Veneto, Italy. Funded by the Public Health Program, European Commission (2011-2015)

- Coordinator of the project “Sexual Health and Sexually Transmitted Infections in Immigrant Communities in Portugal”. Coordinating Entity: IHMT NOVA. Funded by the DGS - Directorate-General for Health (2014-2015)
- Coordinator of the project “PREVIH: HIV/Aids infection among Men who have Sex with Men and Sex Workers – Prevalence, Determinants and Interventions for Prevention and Access to Health” (2009-2013)
- Coordinator of the project “Knowledge, attitudes and behaviours related to HIV/AIDS and access to health services among migrant populations” (2009-2011)
- Coordinator of the national team of the project “Prevention of Sexual and Gender Based-Violence among refugees, asylum seekers and unaccompanied minors in the EU reception & asylum sector” (2009-2010)
- Coordinator of the national team of the project “SENERFORTO: Frame of Reference in Prevention of Sexual and Gender-Based Violence against and among Young Refugees, Asylum Seekers and Unaccompanied Minors in the European Reception and Asylum Sector” (2008-2010)
- Coordinator of the national team of the project “EN-HERA! European Network for the Promotion of Sexual and Reproductive Health Rights of Refugees and Asylum Seekers” (2007-2009)
- Coordinator of the national team and member of the Steering Committee of the project “EUROSUPPORT 6: Developing a training and resource package for improving the sexual and reproductive health of people living with HIV/AIDS”. Coordinating Entity: Institute of Tropical Medicine Antwerp. Funded by DG Health and Consumer Protection, Public Health Programme, European Commission (2009-2013)

## 7. PUBLICATIONS

Published more than 140 articles in indexed journals, 11 books (as author and co-author) and over 20 book chapters.
