

The Global Society on Migration, Ethnicity, Race and Health

2nd World Congress on Migration, Ethnicity, Race & Health

02 – 05 September 2025 • NOVA University, Lisbon

Dear colleagues,

We invite you to attend the **2nd World Congress on Migration, Ethnicity, Race and Health** that will be taking place from the **02-05 September 2025 in Lisbon, Portugal**.

Building on the success of the inaugural congress, which attracted over 700 delegates from 50 countries, the 2nd World Congress, aims to foster constructive interaction among participants in this complex field worldwide and to maintain an active global network of individuals who share our values and objectives.

The congress theme 'Migration as a Driver of a Healthy, Racism-Free, Multi-Ethnic World' reflects the vital role of migration in enhancing population health and fostering diversity in both societal and workplace settings. It aims to highlight the constructive contributions of migrants and promote a deeper understanding of the interconnectedness of health, migration, and racial equity.

CALL FOR PAPERS & REGISTRATION

We invite you to present your work at the congress by submitting an abstract before Monday 24 February 2025 for the chance to present either a poster or oral presentation.

Registration is open with rates starting from €350 secure your place at the congress before the early bird registration deadline (14 April 2025).

SPONSORSHIP & EXHIBITION OPPORTUNITIES

GSMERH 2025 has space for companies to showcase their work and provides a wonderful opportunity to make new connections, in turn growing company exposure within the industry. Please email gsmerh@in-conference.org.uk for the prospectus.

We do hope that you will be attending GSMERH 2025.
